Dear Junior Golf Camp Parents,

In preparation of attending the 2022 Junior Golf Camp at Applecross Country Club, please take a few moments to read this welcome letter carefully and in its entirety. We are furnishing you with a large amount of important information that will provide answers to the most frequently asked questions and help make attending our golf camp an enjoyable experience for everyone.

****Please do not submit this letter with registration; we ask that you keep it for future reference and share it with all adults caring for your child during their camp week. All adults are responsible for adhering to our camp policies and procedures.**

Golf Camp arrival and pickup information... Campers should arrive and depart promptly at the designated times and locations each day as the surrounding club facilities will often be busy due to golf outings, club events, etc. A parent or authorized adult must always connect with our CAMP staff upon arrival and departure. This allows the camp counselors to communicate any changes, answer possible questions or concerns about the day, help maintain accurate attendance records and ensure each camper's safety. The Applecross club staff are NOT camp staff and won't be able to help you.

- **Camp Arrival:** Campers are to come on time and prepared each day with the proper golf attire, equipment/gear, and positive attitude for learning to play golf. Campers must be checked-in at the appropriate time with the signature of an authorized adult and the time of arrival noted. Please do not drop off campers before their scheduled time without prior authorization from Eric or Holly MacCluen. Often there is a lot of preparation to be done before camp begins and our staff may not show to the designated drop-off area until shortly before scheduled. Note the new 2022 camp season pickup location. **Applecross Country Club address: 170 Zynn Road, Downingtown, PA 19335.** The Learning Center building (TLC) and Mulligans Family Dining room (MFD) use the same address.
 - **Early Care** – Campers are to arrive at the **TLC** located up the hill on the driving range no earlier than **8:00am**.
 - **Morning Drop-off** - Campers are to arrive at the Applecross main club house entrance, promptly at **9:00am**. They will proceed down to **MFD**, room located on the lower level of the main club house, where they will gather for daily instruction. Any camper who is not scheduled for Early Care and who needs to arrive prior to 8:50am must get prior approval and will be charged the daily Early Care fee of \$12. The Early Care fee is due at the time of drop off, or it may be charged to your credit card if not paid by Friday, 1pm of the same week.
- **Camp Pickup:** All campers must be checked-out at the end of their camp session each day with the signature of an authorized adult and the pick-up time accurately noted. Pickup times entered will be reviewed by staff for accuracy. Please remember to always check for all belongings before departure.
 - **Half Day** - Campers are to be picked up from **MFD**, room located on the lower level of the main club house. Please arrive promptly for pick-up by **12:00pm**. Any Half Day camper not picked up by 12:10pm will be charged \$10 and an additional \$10 for every 10 minutes late after that time. The \$10 fee per every 10 minutes late is due at the time of pickup or may be charged to your credit card if not paid by Friday, 1pm of the same week. You will not be charged if campers are delayed and have not returned to **MFD** by 12:10pm.
 - **Full Day** - Daily activities for Full day camp will conclude around 3:30pm when campers will then return to **MFD**. You may arrive for pickup between 3:30-4:00pm, but no later than **4:00pm**. Any Full Day camper not picked up by 4:10pm will be charged \$10 and an additional \$10 for every 10 minutes late after that time. The \$10 fee per every 10 minutes late is due at the time of pickup or may be charged to your credit card if not paid by Friday, 5:00pm of the same week. You must also let us know if you plan to pick up your camper any time before 3:30pm by noting the time in the comment section of the check-in/out sheet. Please try not to pick up full day campers prior to 3:30pm as this may cause a disruption to activities planned for the entire group. If pick-up prior to 3:30pm cannot be avoided, you will need to coordinate a time and place for pickup with an instructor when you arrive in the morning or call Eric MacCluen.

*Campers may occasionally get permission to go to the **TLC** after 3:30pm to practice until 4:00pm pick-up. Campers must get prior permission from Eric MacCluen to avoid any lesson conflicts. If all campers are allowed and wish to go to the **TLC**, a sign will be posted on the door of **MFD**.

What to wear to Golf Camp...

- **Proper Golf Attire:** Applecross Country Club requires proper golf attire to be worn on the course, on the range, and at the Learning Center while participating in all golf activities! Boys must wear a collared shirt tucked in. Sneakers are acceptable footwear. Please, absolutely NO t-shirts, tank tops, jeans, gym shorts or cargo shorts (external pockets) are permitted on the course or practice facilities!
- **Sunblock:** Please apply sunblock before camp each day even if it is overcast. Sunblock may be kept in your camper's golf bag and applied as needed throughout the day. Full day campers may reapply sunblock at lunch time. It is their responsibility!
- **Rain Gear / Change of Clothes:** Golf is an outdoor sport and may be played in the elements. Camp will go on rain or shine! At times, it is possible campers may experience playing in light rain. We advise packing light weight rain gear or an extra change of clothes in their golf bag as there is always a chance of an unexpected summer shower passing through. Campers will not continue to practice outside if it turns into a heavy downpour and/ or lightning occurs.

Things to bring to Golf Camp...

- **Golf Clubs:** If your child has their own golf clubs, they should bring them to camp each day. Clubs will not be stored at the facility overnight. If your child does not have clubs, the appropriate size golf clubs will be provided for their use during camp each day. Also, if you do not own clubs, please do not go purchase clubs prior to camp. Most brands of clubs available at the large chain stores are too heavy for the average junior golfer. If you later decide to purchase clubs, our experienced staff can guide you in choosing the best length and weight of clubs for your child.
- **Water Bottles:** It is recommended that all campers have their own water bottle to stay properly hydrated during the hot summer days. Please make sure his/her full name is written clearly on the bottle. Water bottles can be refilled throughout the day. If you forget one, water is available at various water coolers around the facility as needed.
- **Lunch/ snacks:** Lunch is not provided with Full or Half Day camp. Lunch should only be brought by Full Day campers in an insulated lunch bag and clearly labeled with their full name. IMPORTANT: No camper, member or guest, will be permitted to order lunch from the restaurant. Both Full & Half Day campers should also consider packing an extra non-perishable snack (ex: crackers or energy bar) each day to keep in their golf bag so they may snack at any time.
- **Additional Belongings:** Campers who bring an insulated lunch bag, extra clothing, or anything other than their golf bag may leave these items in **MFD** during the day. These items will not be supervised.

Other things to know about Golf Camp...

- Only the "primary contact" person listed on the first page of the registration form will receive registration confirmation, credit card payment receipts and camp week reminder e-mails. Please fill out the registration form accordingly.
- All campers will receive on course training. However, we cannot guarantee a specific amount of time campers will be able to practice on the golf course on any given day or in any given week. Camp activities change daily from morning to afternoon as well as from week to week and are determined by weather (excessive heat or summer storms) and golf course availability (tee times, tournaments, course maintenance, etc.). Therefore, each day and each week of camp offers a different and unique golf camp experience. Full day campers will naturally have more opportunity to participate in on course practice time.
- The camp counselor with your child at pickup may not be the counselor who was with your child during the day and hence may not know of their overall progress. In addition, true progress cannot always be measured after just one or two days of camp. It may take more time for some for things to "click". Also, if your child says they did nothing please do not assume that is accurate. If you wish to know your child's progress you may call Eric MacCluen.
- All campers, both members & guests, must stay together in their assigned groups and are not permitted to roam about the facilities on their own during the day for any reason.
- If you have any questions pertaining to the golf camp registration process or need a receipt for tax purposes contact, Holly MacCluen at hollymaccluen@yahoo.com. All other questions or concerns should be directed to the Applecross Director of Instruction, Eric MacCluen: 484.888.6611 or maclesson@aol.com.

The tax ID for Eric MacCluen Golf LLC is EIN: 81-1223078. Please DO NOT wait until tax time to request a receipt.
